Khao only offered a private Chef's table service. We wished to change course and create a more relaxed and easier – going atmosphere, with a deep focus on authentic Thai cuisine. So, we launched a larger space in Ekkamai Soi 10 in 2017. The restaurant offers an extensive a la carte menu, with over 100 dishes a private chef's table service and a private event space. With the success of 'Khao' we continued to grow and expand our services across the hospitality spectrum Driven by passion.

Khao – Authentic Thai restaurant, offers full – flavored Thai dishes that are well – loved by Thais.

There are no radical twists or fancy additions to the food, only original, unaltered recipes are used to cook in the most detailed oriented way. Diners can expect the best versions of Thai classic dishes. What we served is a reflection of the meticulous preparation, skills and culinary heritage that are required in Thai cuisine. Here's a Thai food hub for Thais and for those who wish to learn how Thais really eat.
